

God is soooo good!

Thank you for being a part of our lives and this ministry God has given us.

The summer began with 2 of Chris' grandchildren flying to Arizona. From there we traveled together to Washington, their home and a giant VBS that we

would all take part in. We stopped and saw a number of sights along the way. Each one of us was very excited at the viewing of animals, and

praise God, He allowed us to see quite a few! Cade and Natalie used Papa's cameras to try and capture some amazing shots of God's creation.

We arrived in Washington... so what does a VBS with 830 kids look like? About 300 helpers rally

together to begin the day... then the kids arrive and

find their group in the parking lot... then, off to activities

and Bible

study. I was given the opportunity to share a Bible story with each group... 9 pre-school classes and 4 elementary

classes while Chris helped with security. God is good!

Chris and I then traveled by train, plane and

automobile to 3 camps in

Pennsylvania! What a privilege to join with Shelley Hikes and family in Schuylkill Haven where we taught "David" during

missions time in connection with the steps in making

a walking stick. The 7 oldest kids then had the option as their craft for the week to make a walking stick.

They were very excited and seemed pleased with their craft project! God is good!

From there we drove to western PA to join Susan Crooks and company at their camp in Little Mahoning. About 60 kids joined us to hear some of the parables of Jesus. What a

joy to recognize and try to encourage many who I have seen year after year. May God use his word to speak to each of their young hearts. Praise God for raising up volunteers to help make that camp move smoothly. God is sooooo good!

We finished the last camp back in eastern PA where we joined with PFC and about 60 Korean kids. What a core of young college age students and older that put aside jobs for a week to come and minister and encourage these kids! How fun to see many kids come back to camp year after year with enthusiasm. May God put His word in their hearts... fruit that remains.

One young leader commented that she remembered me from when she was a camper! What?!! Heh.

Chris and I said goodbye to the east coast and

returned to Washington to retrieve our vehicle and then travel a few more days down the western coast through Oregon into California.

Wow! The Pacific, the Redwoods, the wildlife. God is amazing.

Thank you for being a part of this ministry with us! Close to 1,000 kids were presented the gospel at these four locations and we have heard that approximately 90 children professed to trust Jesus! A total team effort of which we were privileged to be a part. You too were a part with your prayers and support of this ministry. God is sooooo good! I am glad you are a part of our team! Thank you!

In Dad's Love,
Zac and Chris
