MONEY QUESTION

HOW MUCH WILL THIS HELP COST?

Open Air Campaigners is a faith-based ministry. Our income is totally dependent upon the gifts of those whom God has prompted to give. It's been that way since 1892! Pretty amazing. Although this work is also our vocation, we are certainly happy to receive love gifts as the Lord leads individuals; that is how we pay our bills. Still, we come to you at no pre-determined fee or expected level of financial obligation. Some folks are able to give generously, others only a little, some are not able to give at all. I do not want cost to be an obstacle to being part of your team. For those who are able to give, tax-deductible receipts are promptly issued.

HOW MAY I HELP YOU?

"Presenting Christ By All Means Everywhere"

PERSONAL HISTORY

John Cutlip

I came to know the Lord when I was 18 years old through the witness of another teenager. After marrying Sue, the girl I grew up with in a small Ohio town, we headed off to the **BIG** city of Chicago to attend

the Moody Bible Institute where I graduated with a Bachelor of Arts degree in 1980. The Lord led us to join the staff of Open Air Campaigners where we have served non-stop ever since.

Sue was saved as a young girl through the witness of her parents. Having a vocational background as a legal secretary prepared her well for administrative ministry during our time at Moody Bible Institute and with Open Air Campaigners through the years.

We have three wonderful children, a daughter in law and one granddaughter.
