

WHAT FORMER SEMINAR PARTICIPANTS SAY:

"The way OAC uses painting and preaching to present the gospel really draws a crowd. It's a life-changing message that comes alive on the artist's paper. People love it."

Tom Blow, Kansas City

"I can honestly say that this training seminar has been the most powerful and useful training I have seen for being able to share the gospel simply and effectively to any age person. I have used it in the USA, with teens at local skate parks and churches, as well as on mission trips to Mexico, Brazil and Nicaragua. God uses this simple stuff to share His powerful message."

Chad Chambers, Kansas City

"The 'hands on' preaching is what made the seminar great. This experience can't be duplicated."

JOIN THE TEAM

The Open Air Campaigners (OAC) and Heartland International Ministries (HIM) are teaming up to present an exciting one-week seminar on open-air evangelism. This seminar is designed to provide training in all phases of conducting open-air evangelistic meetings.

HIM's purpose is to share the good news of the Lord Jesus Christ in creative ways that would evangelize the unreached and train, sustain and revitalize believers and churches as they develop a dynamic relationship with God.

OAC is an evangelistic ministry of preaching the gospel to lost people and mobilizing the body of Christ primarily through effective, open-air outreach.

All students will be tutored according to their level of experience. Those who attend this seminar will be equipped to go back to their home church or field of ministry in order to conduct fruitful, open-air outreach. Seminar participants will be trained in all aspects of open-air evangelism. The men will primarily focus on adult meeting presentations while the ladies will primarily focus on outreach to children.

OBJECTIVES

At the conclusion of this seminar, participants will be able to:

1. Present the gospel of Christ in a direct, positive and challenging manner.
2. Prepare evangelistic Bible stories for children and adults with illustrations drawn on a sketch board.
3. Discern proper techniques, including location and timing for conducting outdoor meetings.
4. Learn how to communicate the Gospel one-on-one with adults and children.
