Michael & Renae Bussen (National):

- Prayer request: My main prayer request for the year is for the salvation of my parents nearing the end of life (and for 10 siblings who also all need salvation, which is a huge burden on my heart), and the reconciliation of the family rift situation that exists because of abuse in our upbringing (which was finally brought out in the open over a year ago, to be dealt with, but has caused the situation to spiral downward even worse)
- We praise God for His grace in leading our new home church in Nazareth to officially come on board as part of our support team starting this year.

John & Sue Cutlip (National):

- Pray that God would raise up a full-time person for staff here in the Nazareth, PA area who I could mentor to join our Central Services office and eventually take over my responsibilities.
- Praise for co-worker Michael Bussen who is doing a wonderful job here at the Central Services office.
- Pray for the Lord to lead us additional members for our national Board of Directors and also people to serve on our local Branch Committees who would counsel, encourage and help the OAC ministry continue and even expand.
- Praise for a terrific wife and three wonderful children plus our new baby granddaughter who will soon be one year old!

Brian & Kimberlee Harmon (Michigan):

- Pray Colossians 1:9-11 for Kimberlee and me. (Wisdom and Grace)
- Pray that the Spirit would go before us and roll back the darkness and bind the “strong man” (2 Cor. 4:4, Mark 3:27) in the areas we will be preaching.
- Pray God would continue to open the doors to the places He would have us work in. (Specifically, pray for another high school to open up for this coming school year.)
- Pray we would be at 100% of our financial support by the end of our two year internship (October 8, 2012)

- We praise God for providing, through Paul Adams and the OAC branch in DC, a OAC van for the ministry here in Michigan.

- Oh give thanks to the LORD, for he is good, for his steadfast love endures forever! Let the redeemed of the Lord say so...Ps.107:1,2

Russ Hodder (Los Angeles):

- Praise that a family, two boys and two girls who caused us a lot of trouble in our Townsend Street Kids Club in Santa Ana, CA have really been impacted by Jesus Christ! The two boys both have trusted Christ as their Savior, One of the girls is also doing our take home lesson (along with the boys) and is very quiet and respectful. The oldest sister at least, does not bother us any more. This family had a bad reputation in the community, and it is great to see them transformed by Christ!
- A big prayer request is that co-workers Frank Baldus and Carol King here in our Los Angeles branch badly need financial support. With Carol, it is getting quite critical. Pray that God will raise supporters and prayer warriors to stand with them!

Gregg Hunter (Baltimore/DC):

- My praise would definitely be that God has provided housing for me throughout this past year and for the coming year. The ways that God has provided for me throughout this year are definitely worth praising Him for.
- My prayer request would be for a continued raise in my support. I am fairly consistent at about 10%-15% support, but I need a lot more in order to meet the many needs that continue to arise, especially as I am looking to expand the number of people for whom I will be the main provider in the near future.

 - Met a college student in the subway named Andrew about a year ago. We have stayed in touch and talk often. He recently said he would be willing to have an evangelistic Bible study with me for 4-5 weeks. Pray for his salvation.
